Save With Efficiency Rebates

JEA wants to help you use less so you can save more. Whether you're starting small or are ready to invest in efficiency, you can save with JEA rebates. ENERGY STAR® certified and WaterSense® labeled products are more efficient than standard appliances. They can help you conserve energy and water, reduce your usage and help save on monthly utility costs. From smart thermostats to clothes washers, our line of rebates can help you save money upfront and over time.

Visit jea.com/rebates to find our full line of efficiency rebates and learn how you can start saving. See reverse for additional rebate information.
